

# 505A

Worldwide Release Date: 10/21/09

## MANUFACTURER'S INTENT

The second launch in the 5 series, the 505A, was designed to be more angular at the breakpoint. If the 715A was too aggressive on the lane patterns you bowl on, then the 505A will be a great choice. Each new ball from Track will include a microfiber cleaning pouch with instructions on its use.

- 5** MID PERFORMANCE All "new" MP Gen 3 Reactive™ Pearl Coverstock w/ Performance Additive
- 05** CORE STRENGTH (HorsePower) Indicates how strong the core potential is. 05=.005 Intermediate Differential.
- A** ANGULAR Angular at the Breaking Point.
