# AND THE COMPETITION THOUGHT THE FIRST MONSTER WAS EVIL.

Just when they thought it was safe to go back to the lanes, Brunswick strikes again. Monster™ Reactive. A sinister threat to any other reactive, at *any* price. Combining the proven PowrKoil 17™ coverstock with Monster's unique core system, the new Monster Reactive delivers a powerful but smooth ball reaction best suited for medium oily to medium dry lane conditions. It's a destructive demon so fiendish, you'll almost feel guilty unleashing it on your opponent. Almost.

## MONSTER: HIGH PERFORMANCE, LOW PRICE.

Proactive® Reactive. If it's a Monster, it's the perfect blend of price and performance. Monster Proactive will significantly out-hook and roll more evenly than anything at this price level. Monster Reactive delivers the skid-snap, down-lane power of a high-performance reactive at a mid-level price. Together, they are the perfect pair for those stalking the perfect game. On any lane condition. Because Monster Reactive is perfect for moderate amounts of oil. Monster Proactive is perfect for heavier amounts of oil. And both are perfect for you.
