

NEW . . . FROM TRACK INC. DARK BLUE TRACKSTER

THE HOOKINGEST THREE-PIECE BALL AVAILABLE TODAY!

- New urethane formulation.
- The first 3-piece ball that rolls like a 2-piece, yet hits harder than any 3-piece ball ever made.
- Secret urethane formula does not absorb oil.
- A urethane, so versatile, when left sanded as furnished, will "hook off the lane" — yet will polish readily to harness the hook, if desired.
- Available — 10-16 lbs.
- Durometered — 75-78
