Cranberry Scented Ball!

ATOMIC CHARGE

RECOMMENDED CLEANER

Deliver destructive power from the release of atomic energy! The **Atomic Charge™** fuses the **MONSOON™** Solid Reactive coverstock with a Modified 2-piece weight block to generate an explosive reaction.

This synergy creates strong mid-lane roll, pick-up in heavy oil, and a powerful arcing backend. The **Atomic Charge™** uses energy evenly throughout the lane and promises reliable performance shot after shot.
