

# THROWING IS BELIEVING!

Explode your average sales record by giving your customers the power they need to destroy the competition. The Grenade, by ROTO GRIP, Inc., is designed to be the secret weapon in every professional or amateur bowler's arsenal. Scientifically designed of 100% urethane with a unique, grenade-shaped weight block the Grenade blows away the opposition on short and medium heavy oil with complete precision. Engineered to go long and finish with a devastating hooking action, the Grenade is best described as "lethal." A plus for the retailer is

ROTO GRIP'S exclusive method of precise weight block location which ensures consistent drilling results, ball after ball. Available in 14 - 16 pound weights, the Grenade is sold only through authorized dealers and pro shops.

This lethal product is widely known for its unique, two-piece construction which has made it a proven tournament winner (both the 1989 Finnish Championship and the 1989 PBA King Louie Open). The Grenade, and all ROTO GRIP products, meet ABC specifications and are warranted for

life. For more information and a Grenade brochure, telephone Toll Free: **1-800-431-1537**
