INFERNO

**THE POWER TO ECLIPSE EVERYTHING
UNDER THE SUN.**

Brunswick Inferno™

Inferno's Activator™ coverstock eclipses the performance of everything that has come before it. Combining an Ultra-Low RG core with the Activator Advanced Reactive coverstock gives the Inferno strong mid-lane recovery that features improved traction in the oil and a smoother, more effective reaction to the dry. For the power to play, it's time for the Inferno.
