

INTRODUCING LASER™ Electrifying Action.

BRUNSWICK

**MAKING BOWLING
BETTER**

Nothing lights up your scoring like
Brunswick's new Laser.

With a new, pearlized, polyester cover, in a choice
of eight colors for consistent action.

With a one-piece polyester core that's easier to drill and a
more comfortable fit that promises to give you consistent scoring.

The concentrated weight block gives you greater driving
power and a truer, more consistent roll.

Visit your nearest Brunswick dealer and find out why the
Laser means more pin action. Electrifying action.
