

DOUBLE THE CORE
DOUBLE THE HOOK
DOUBLE THE HIGH SCORES

BUZZBOMB

Lane #1 introduces a new force in the bowling industry that out-hooks all others. The BuzzBOMB is packed with our all new double sided Doomsday Bomb² core. This Doomsday double Bomb core generates double the torque, creating double the hook on the backend.

Surrounding this nuclear power plant is our all new Pure-Grip™ solid reactive coverstock. This new formula grips the lane on the heaviest oil. You won't believe your eyes when you see this midlane Hook Monster explode with a Huge Backend.

Hear the Buzz, see the Hook, watch your High Scores double with the BuzzBOMB...!!
