

SUCCESS RUNS IN THE FAMILY.

The First Family of bowling. The Columbia 300 Family of Dots.

Featuring the high-performance Orange Dot, the newest member of the Family.

Technically formulated for heavily dressed lane conditions when you need a ball that breaks sharply.

The famous Yellow Dot, designed for unparalleled performance on all lane conditions.

The White Dot, for lanes evenly dressed.

And the Lite-Dot, in sparkling colors and lighter weights.

More and more pros and league bowlers are moving to the Dot that best suits their game.

And they're enjoying success. Because it's all in the Family.

The Columbia 300 Family of Dots.
