

There's a new ball breaking on the horizon.

The all new high-performance Orange Dot
from Columbia 300.

The perfect partner to the famous Yellow Dot.
The Orange Dot has an outer shell technically designed
to hit hard and keep the pins low.

Scientifically formulated to drive deeper
through heavily dressed lanes, and break
sharply into the pocket.

Get more impact. More dynamic pinfall.
Get all the breaks you'll ever need.

With the Orange Dot.
The newest addition to the First Family of Bowling.
The Columbia 300 Family of Dots.
