

Approach with caution and you won't get hurt.

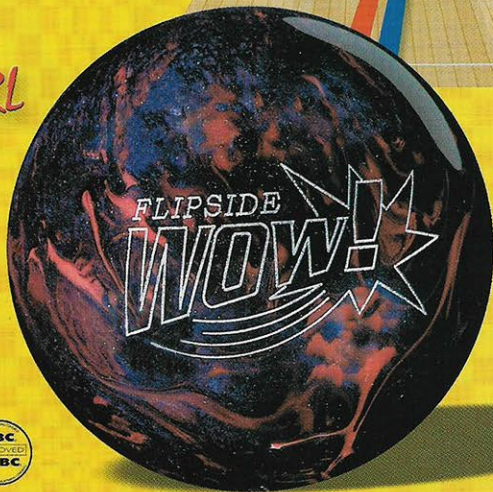

The WOW!™ factor has taken on a new twist. Our latest Flipside™ creature is the WOW!™ Pearl. You've witnessed the WOW!, as it cuts through any amount of oil you encounter. Now you can unleash the WOW! Pearl for a later backend reaction that's really out of this world. Our Pearlized UFO™ - Ultimate Friction in Oil - coverstock has been identified and is landing at a pro shop near you. The WOW! Pearl - its mission is extremely focused.
