

INTRODUCING THE NEW RED WOLF.

Wiping out your competition is a lot easier with our deadliest advancement yet. The new Red Wolf from Ebonite. A lower-torque, symmetrical design makes for a ball that revs hard and early, yet still retains a powerful supply of energy through the pins. And the Red Wolf comes packed with other innovations, too, like a rigid polyester outer core and Mega Bite™ reactive veneer.

So visit your pro shop to learn more today. You won't only improve your game. You'll wreak havoc on your opponents'.
