

GOOD FRIENDS ARE SO MUCH  
MORE ENJOYABLE AFTER YOU'VE  
JUST KICKED THEIR ASS.

While bowling is a great sport to share with your buddies, it's also a great way to trounce and humiliate them. Show your serious bowling companions how much you care with these Wolf balls from Ebonite.

From the fast-revving Red Wolf and Pearlized Red Wolf for maximum carry-down on medium to heavy oil, to our popular Blue Wolf, Pearlized Grey Wolf and unique Clear Wolf, the only ball available with a dynamic core in a polyester cover stock. Each helps you knock down more pins. Along with most of your competition.

So, visit your pro shop to learn more. Then, call your friends and suggest a little bowling. Again.
