FURY

LET LOOSE THE FURY

Brunswick Fury

You were warned it was coming... now, feel the FURY! With the new High Octane™ coverstock providing ultimate traction and the symmetric Torsion Core™ technology powering the move, the FURY is an irresistible force. Brunswick has twisted the core inside the ball so you can twist-it-up more on the lanes. For more information, contact your Brunswick representative, 1-800-YES-BOWL or 231-725-3300, or visit www.brunswickbowling.com.
