

# Rhino rampages on victory trail.

It's official! Brunswick's Rhino is winning on the professional trail today!

Just check out the powerhouse performance of this specially formulated urethane ball since its introduction in July of 1986: *FIRST*, Teata Semiz, Columbia Senior/Touring Pro Doubles; *FIRST*, Dave Davis, Tournament Bowlers Association tournament; *FIRST*, Johnny Petraglia, PBA Regional tournament; *FIRST*, Moe Conserriere, A.B.T. Orange County Regional tournament; *FIRST*, George Manuel, Southern California Elimination tournament; and *FIRST* (George Branham III) *AND SECOND* (Mark Roth) at the recently

completed Brunswick Memorial World Open in Glendale Heights, Illinois!

Plus, two New Jersey bowlers, Mike Fotl and Bob Perry, broke the all-time ABC doubles record with a combined three-game series of 1639 — both using the Rhino!

You, *too*, can win with Rhino! And you can win on virtually *any* lane condition! The Black Rhino is formulated for light to medium oily lanes, the Grey for medium to oily, and the Wine Rhino is perfect for oily conditions. So unleash *your* game . . . roll a Rhino! You can capture one (or all three) at professional bowling shops everywhere!
