

# Ebonite offers you the best for less

CYRO™ I Blue/Gray and Lady Ebonite Urethane balls deliver the high performance of urethane, but at a polyester price. And every Ebonite ball has dynamically-balanced high density weight blocks in every core to assure consistent balance and control.

Bowl like the pros. Enjoy proven Urethane performance and a great value when you buy the best . . . for less. Choose new CYRO I Blue/Gray or Lady Ebonite Urethane balls.
