

You will offend DEAL WITH IT. someone.

Nothing hits like a Hammer.

You can't avoid it. You can't hide from it. This is The Big Deal. Ready to strike fear into every rival. Featuring a Gas Mask core with flip block and Cut-Throat coverstock, The Big Deal's dominating presence cuts through medium to heavy oil, creating one of the most obscene entry angles in the Hammer line. It's not just about power any more. It's how you deal with it.
