

Throw a Rock.™

Now there's a ball that goes the distance for optimum control and scoreability on short oil lanes.

It's the amazing Johnny Petraglia LT-48® ROCK™ from Brunswick® – a new and greatly improved rubber formula for short oil conditions.

Give it a throw. Watch as this remark-

able rubber ball slides straight through the heads, and finishes with a superior, pin-pounding hooking action on the back end!

For rock-solid short oil performance, and a striking force with little deflection, throw a ROCK! And for proven power and control on oily conditions, depend on the original LT-48. Get both today at your

favorite pro shop for a winning combination for all lane conditions.

\$10 Payback Offer!

For a limited time – buy an LT-48 or LT-48 ROCK and spend \$10 more on anything else at your pro shop or bowling center, and Brunswick pays you \$10 back!

Ask for details where the new ROCK is sold!
