

MEET THE

Master™

a DYNAMIC High Performance BOWLING BALL

A true-balanced ball with an extra-thick urethane outer shell for precision tracking and maximum hitting power.

The **Master**

...a unique combination of core-weight block and shell, formulated to produce a 'working', predictable ball. That translates into greater pinfall and greatly improved scores.

Master... the premium ball that's clearly unique.

Black satin finish

Available in 12, 13, 14, 15 and 16 lbs.
