

YOU'RE
GOING
DOWN

lane. And the pearized Super-Flex™ coverstock assists the ball getting down the lane. The Messenger and the Messenger Pearl. They mean business.

The word is out on the new Messenger™ and Messenger Pearl. The Messenger is ideal for oily conditions. With its aggressive Super-Flex™ coverstock it generates a quick turn at break point. The Messenger Pearl is the perfect ball when the heads begin to dry up and oil has carried down the
