## A Monster From the Depths.

Deep down the lane, the **Brimstone Red Monster Proactive** strikes. It grabs and goes early, cutting through the heaviest oil with an even arc. When other proactives are too aggressive off the dry and reactives are too take, reach deep down for the Brimstone Red Monster."

An early, smooth arc best suited for the heaviest oil. A price suited for everyone. Covertock Proactive, ETX-3 • RG first: 2.593 • RG film: 2.585 • RG Diff: 0.036 • RG Avg: 5.0 Hook Potential: 140 • Length: 15 • Bearnoint Shape: 20
