

"This is how I roll Mate!" — Jason Belmonte

Congratulations to Jason for his
outstanding achievement in becoming the
**World Bowling Writers
2008 World Bowler of the Year.**

STORM
THE BOWLER'S COMPANY™

QUICKLY BECOMING THE HOTTEST.

The new Rapid Fire™, with a highly-polished R2S™ coverstock, is a much hotter version than the original Fired Up™. Combine that with Twin-V™ symmetrical weight block and you have excellent skid through the heads, midlane traction in fresh oil, and tremendous energy through the pocket. Offering outstanding versatility for different types of players and conditions, the Rapid Fire™ is sure to ignite your fire within!
