

SOAR

BEYOND EXPECTATION

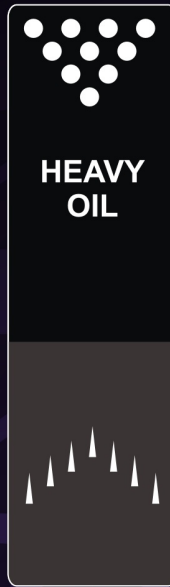

The Raptor™ P7 certainly soars beyond expectation. The ball motion of this heavy oil weapon is unlike any previous MOTIV™ release. It is long, very strong on the backend, and has incredible continuation through the pins. This reaction is powered by the new Predator™ asymmetric core and new Formula-7™ Reactive coverstock.

And, as with all MOTIV™ bowling balls, the NeoMark™ graphics give the Raptor™ P7 outstanding visual appeal. Get MOTIVated!
