

Roto-Grip Blue... The Super Ball for Super Sales

ROTO-GRIP BLUE — the pro class bowling ball customized for your best customers.

ROTO-GRIP BLUE — is the first and only soft polyester ball, scientifically designed that contains **SIDE WEIGHT — FINGERWEIGHT — TOP WEIGHT** (Complete Weight Distribution with fingerholes drilled **ON CENTER**).

ROTO-GRIP BLUE — has a scientifically designed shell with a **special additive** that eats up tournament lanes.

ROTO-GRIP BLUE — has Complete Weight Distribution which means the right acceleration and controlled hooking performance for right-in the pocket hits.

ROTO-GRIP BLUE — is the customized Super Ball you can promote and sell with confidence — your customers will thank you.

- Meets all **ABC** specifications
- **PBA Pro-tour** approved
- Right or left handed
