

"Roto-Grip . . .

just about the top-scoring ball there is - and I have the perfect games to prove it."

Four 300 games, scored in big-league competition. That's why Winston Lambeth says, "I don't think there's a better ball in the world. I've never bowled with one that feels so right, that accelerates and moves into the pocket better. I'm pretty high on Roto-Grip. My scores are too!"
