

TERRA POWER

LORDFIELD BUILDING THE BEST BRANDS IN BOWLING!!

We want bowlers to win, to improve their game. Introducing the TERRA-POWER from LORDFIELD. This High Performance ball features a new coverstock (Traction Reactive SUPER MICRO X1) that is combined with a SPIRAL SYMMETRIC CORE. TERRA-POWER is the highest hook potential reactive ball. The SPIRAL SYMMETRIC CORE, a new shape concept that involves applying a computerized torsion or twisting process to high-tech shapes. You can drill your ball with a variety of layouts to guarantee consistent, predictable from break point to pocket.
