

# THUNDER

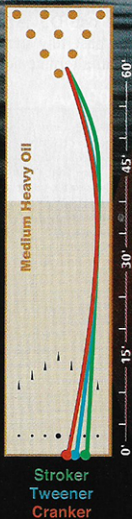

THUNDERSTRUCK™ SOLID

**STORM**

THE BOWLER'S COMPANY™

THUNDERSTRUCK™ PEARL

## The Thunder Rolls Again!

The original Thunder™ multi-density weight block with FE2 Technology is one of the most popular and heralded designs of all-time. We wanted to bring it back in a big way, so we are wrapping it with the ever-strong and super-versatile Reactor™ coverstock.

Roll it and own it, this is your house!
