

MADE IN U.S.A.

Featuring revolutionary
NeoMark™ Graphics.
Patent Pending.

Thrust™ Core

“ I have never thrown a ball that gives me so much control, yet plenty of hitting power.”

- Brandon Gibson

“ Very clean and predictable reaction. I’ve been able to get it lined up everywhere.”

- Doug Anderson

“ The TX1 hits like a truck! ”

- Ted Boltz

CRUSH THE PINS WITH MAXIMUM THRUST

The versatile MOTIV™ TX1 is deadly in the hands of any bowler. It has a controllable reaction and drives incredibly hard through the pins. The TX1 features the Thrust™ inner core, MOTIVator-X™ reactive coverstock, and 2-color NeoMark™ graphics.

Wondering exactly who we are? We're not new to the game. We've been manufacturing bowling equipment for nearly 20 years and it's all made in the USA. Visit our website to learn more about us and our high performance products.
