

BOWL TO WIN™

**I believe
in the strike. The spare.
The turkey. Playing the gutter.
That Earl Anthony is
a good name for a daughter.
I believe that the seven-ten is a
message from God.
I believe hard work is a
better investment than luck.
And that 300 is a reward
rather than an achievement.
I believe that bowling
should be an Olympic sport.
And I believe if you're going
to bowl, bowl to win.**

EBONITE 

XCEL

XCEL

The new high performance series from Ebonite is here. The Xcel Particle ball dominates medium to heavy oil patterns, giving you a strong mid-lane roll and tremendous backend reaction. And when it's time to rare back and let 'er rip, Xcel Pearl comes through clean in the front with a powerful direction change at the breakpoint. That, you can believe in.
