

BOWL TO WIN™

I live for
the score. The pickup.
The action.

The sound of silence from my opponent.
I live for the line, die by the break,
and pray for more
important things than a lucky fall.
I live for the game that's perfect.
And trading in my soul
for three more strikes in the tenth
is not out of the question.
I live for the moment when
I'm back in the house.
Because I live to bowl
and I bowl to win.

EBONITE 

Take your game to the next level with the new Xcel ball from Ebonite. This unique modified particle ball is engineered to cut clean through the front with an aggressive backend attack. Precision lines are drawn in medium to heavy oil patterns and a modified Scallien core directs every roll long and strong. With one quick turn to the pocket, you'll wonder how you ever lived without it.
