SCORING INSTRUCTIONS

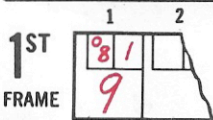

EACH SCORING BOX represents one frame. TWO BALLS ARE ROLLED per frame (unless a strike is scored), and each of the small boxes represents a ball rolled. TEN FRAMES

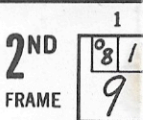

All pins knocked down with first ball—nets the bowler 10 pins plus total pinfall on next two rolls.

All pins knocked down with two balls—nets 10 pins plus pinfall on next ball.

First ball leaves the 7-10 SPLIT. Mark 8 and (0) in the first box. Second ball picks up the 10-pin. Mark 1 in the second box, score 9 for the frame.

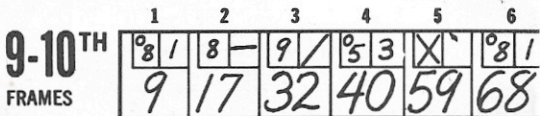

First ball leaves 10 pins in the first box. Second ball picks up both pins for an 8. Mark 8 in your first frame and 0 in your second box.

First ball leaves a five pin SPLIT set up. Mark (0) and 5 in the first box, and add fifteen (10 for spare in 3rd frame, plus 5) to your 2nd frame total. Second ball picks up three pins, failing to convert the split. Mark 3 in the second box and add 8 to the frame total.

5th frame — A SPARE! Mark 8 in first box and hold score. 6th frame — First ball leaves 10 pins and 8 in first box. Mark 1 in second box to 4th frame total. Second ball then add 9 to the

9th frame — A STRIKE! Mark (x) in first box and add twenty (20) to your 4th frame total. 10th frame — A STRIKE! . . . which entitles you to two extra balls. First ball clears seven pins. Mark 7 in the second box and add twenty (20) to your 9th frame total. Second ball gets remaining three pins for a 3. Add 23 to your 10th frame total, giving you a total score of 100.
