**THE WINNINGEST BALL
OF ALL**

Choose the number one ball in bowling today. The Angle, with its unique AMF urethane formula, provides the ultimate in power and control, regardless of the lane condition. And for the past three years in a row, the Angle has been used by more winners on the Winter Pro Tour than any other. No other ball hooks like it. Select the Angle that's right for you and be a winner too.

FAMOUS BLACK ANGLE

Specially designed to perform on most lane conditions.

033-0139 Black urethane.
12, 14, 15, and 16 lbs.

SOFT GOLDEN ANGLE

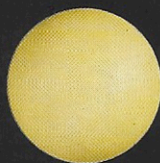

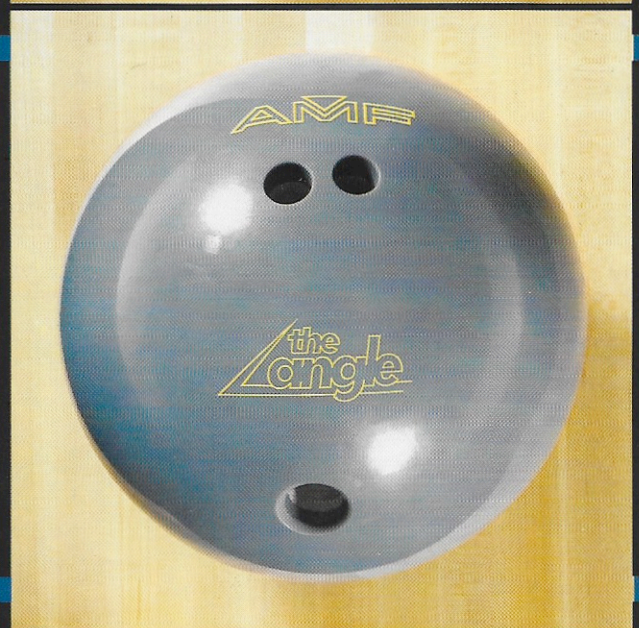

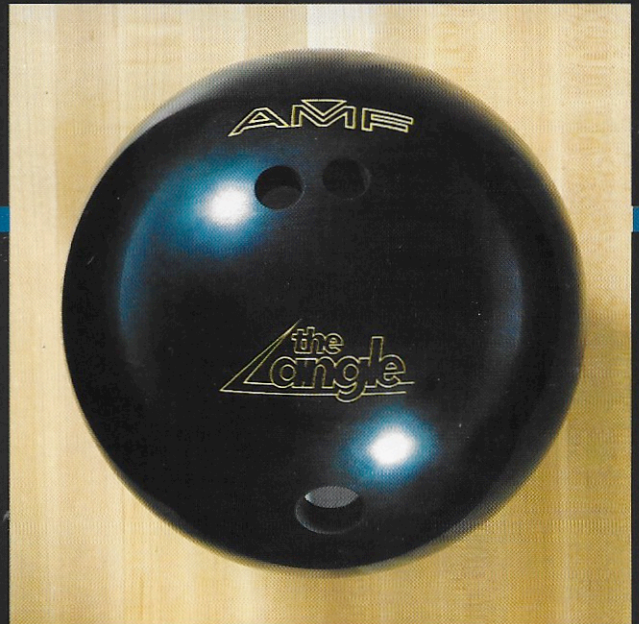

Precision ground to hook even through heavy oil.

033-0142 Golden urethane.
12, 14, 15, and 16 lbs.

HARD GRAY ANGLE

Urethane power and control on the driest lanes.

033-0141 Gray urethane.

INTRODUCING THE NEW LIGHTNIN' AND X-TRA LIGHTNIN' SERIES

Designed especially for young bowlers and others who prefer a lightweight ball, but want AMF quality and performance, too. For the first time, new Lightnin' balls (8-12 lbs.) offer all of this, plus AMF's exclusive 3-dot, built-in guidance and tracking system.

The 3-dot system lets the bowler see the ball skid then roll down the lane. By counting the number of revolutions (9 to 12 are most desired), you can see if your roll is consistent by the tracking pattern the dots create.

The X-tra Lightnin' models (6 and 7 lbs.) provide optimum durability and quality in a lightweight ball to enable even the youngest bowler to learn proper form and have fun at the same time.

033-0047 Blue polyester.
6*, 7*, 8, 9, 10, 11 and 12 lbs.

033-0048 Red polyester.
6*, 7*, 8, 9, 10, 11 and 12 lbs.

033-0049 Charcoal polyester.
6*, 7*, 8, 9, 10, 11 and 12 lbs.

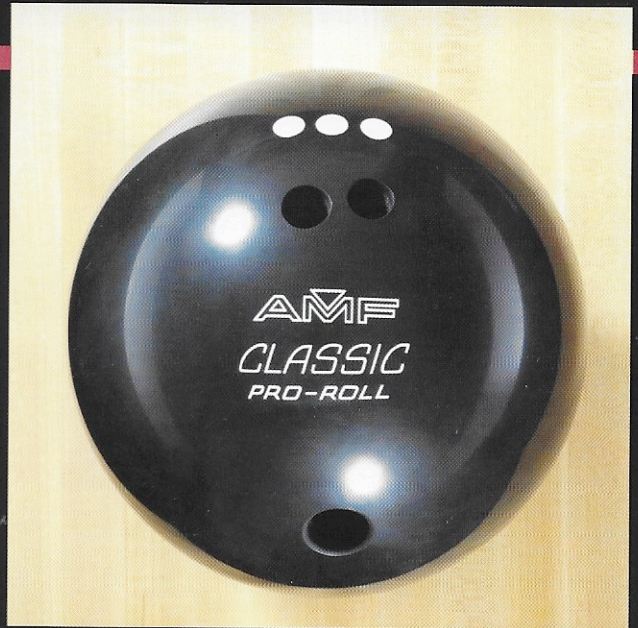

*X-tra Lightnin' balls feature three white circles instead of dots.

THE CLASSIC PRO-ROLL

- Built-in 3-dot guidance system shows the way to better scores.
- Favorite of over a million bowlers, a legend that continues to grow.
- One of the hardest working, hardest hitting balls for most lane conditions.

033-0044 Black hard rubber.
10, 12, 14, 15, and 16 lbs.

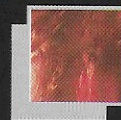

THE STRIKELINE SERIES

- Attractive pearlescent patterns make each ball strikingly different.
- Hard polyester in a choice of popular colors.

033-0082 Blue polyester.
10, 12, 13, 14, 15, and 16 lbs.

033-0134 Burgundy polyester.
10, 12, 15, and 16 lbs.

033-0138 Chocolate polyester.
10, 12, 14, 15, and 16 lbs.

Angle

The only line of bowling products advertised nationally to millions of bowlers via 30-second commercials each week on network TV.

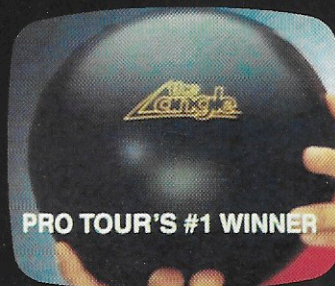

(sound effect: Ball hitting and rolling with music)

Announcer: The power to hook, the power to hit!

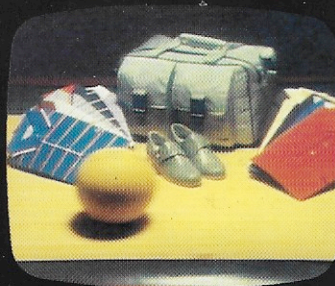

(sound effect: CRASH!)

The AMF Angle with the power of its unique urethane formula. Winter Pro Tour's number one winner three years in a row!

And now there are three Angles...black for average lanes...gray for dry lanes...gold to win on oily lanes.

And for winning looks, Angle shirts, shoes and bags.

Hitting power. Hooking power.

(sound effect: CRASH! CRASH! CRASH!)

The Angle Strikes Again!
