BALLS, BAGS AND SHOES

High-performance balls for high-performance bowlers.

Rhino You've seen it on T.V. You've heard about it at the lanes. And now it's here. The Brunswick Rhino™! With three unique 100% urethane formulations tested and proven by professionals, amateurs and technicians to match all styles and lane conditions. There's the Black Rhino for light to medium oily lanes. Grey for medium oily lanes. And Wine for oily lanes. It's a beast of a ball for any lane condition.

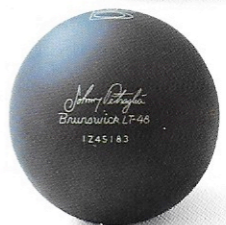

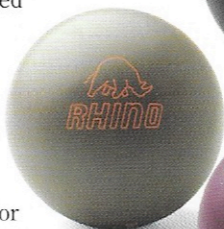

Black, Grey, Wine; 12, 14, 15 and 16 lb. wts.

GTB With its 100% urethane covering, the GTB slides through the heads easier and hooks when it hits dry lane conditions. Its concentrated weight block provides truer balance and consistent action. The GTB is a true performer regardless of the lane condition.

Black; 15 and 16 lb. wts.

LT-48 When the going gets oily, the LT-48® gets going. The LT-48 has earned a reputation for precision control on oily lane conditions. It features a soft rubber covering for excellent hooking pattern and better tracking through the pocket.

Black; 12, 14, 15 and 16 lb. wts.

Pro Trac The Pro Trac™ is quickly becoming a legend in its own time. The Pro Trac is a high-performance polyester ball with a unique Polytrac™ cover for controlled hooking action under a variety of lane conditions.

Burgundy; 12, 14, 15 and 16 lb. wts.

Laser The Laser™ will keep your average from being average. It has a medium-hard pearlized polyester covering that can take a bite in all kinds of lane conditions to provide you with sure tracking and greater power through the pocket. Available in eight dazzling colors. 8 to 16 lbs. depending on color.

Midnight Blue, Charcoal Grey, Cranberry, Blue, Butterscotch, Steel, Mauve/Silver, Grape

Charger This rubber ball has less hook, longer slide and consistent tracking throughout. The Charger® is a sure performer on medium oily lanes. Its hard cover and composite core provide lane-hugging performance and solid striking power through the pins.

Burgundy; 14, 15 and 16 lb. wts.

Black Beauty The Black Beauty® has been the choice of all types of bowlers for years. No matter what your skill level, the Black Beauty's construction and design provide truer roll and consistent tracking in the lanes.

Black; 10, 11, 12, 13, 14, 15 and 16 lb. wts.

Black Diamond If you're a straight shooter, the Black Diamond® rubber ball with minimal hook is perfect for your game. Its hard, high-luster, non-porous cover gives a longer slide and greater striking force.

Black; 12, 13, 14, 15 and 16 lb. wts.
