The Deal

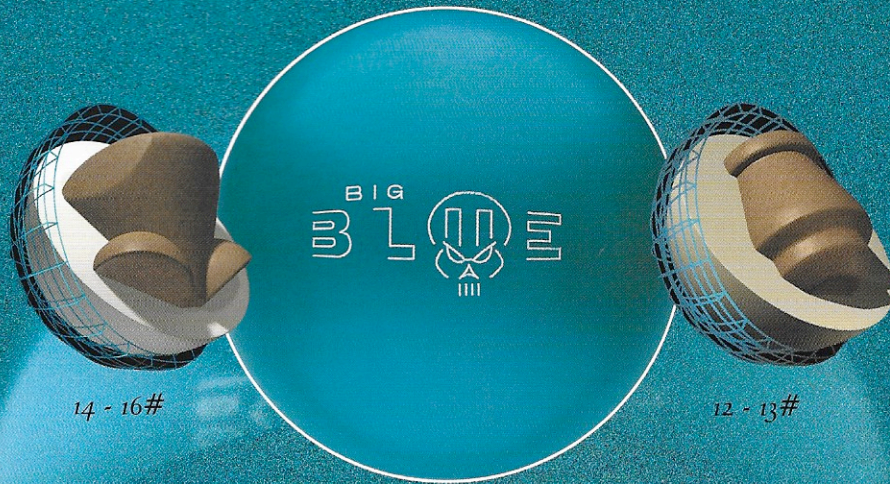

Style # 029744-50412

Color: Black/Teal/Violet

Available weights: 16, 15, 14, 13, 12

The Deal is the ultimate skid/flip ball in the Hammer line. Featuring the all-new asymmetrical low-mass bias AON core and particle pearl coverstock, The Deal is long and strong.

Big Blue

Style # 029744-56812

Color: Bad Ass Blue

Available weights: 16, 15, 14, 13, 12

Just like the original Blue Hammer, Big Blue is the #1 choice in the Hammer line for unbeatable mid-lane ball motion on medium to heavy oil. Featuring the Gas Mask high-mass bias core and dual particle coverstock, Big Blue should be the first ball out of the bag.

Big Blue Pearl

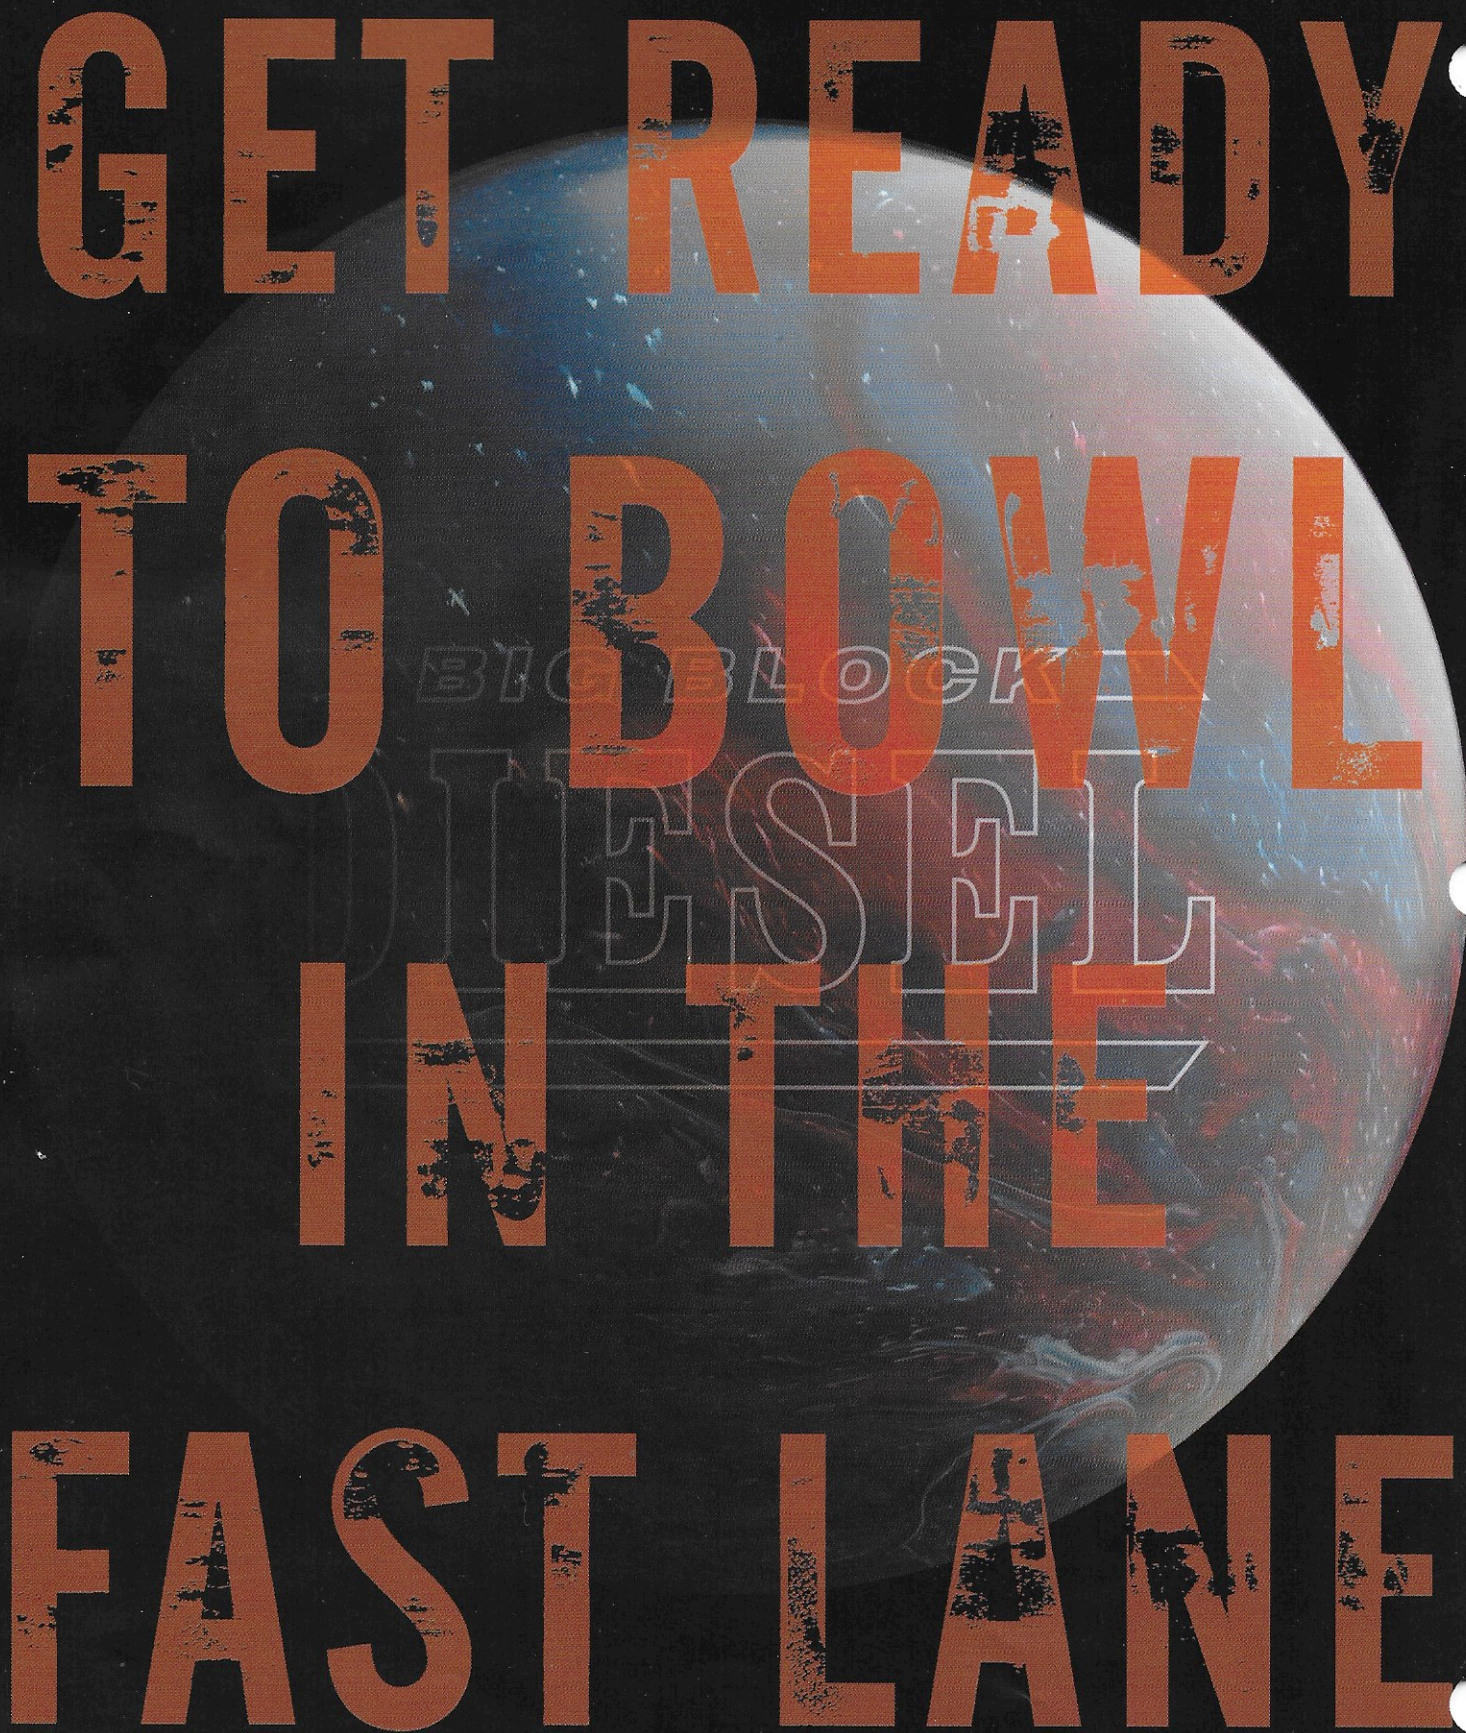

Style # 029744-75810

Color: Bad Ass Blue/Gold Pearl

Available weights: 16, 15, 14, 13, 12

Big Blue Pearl dominates in medium oil, as it glides clean through the front and whips on the backend, even in carrydown. Featuring the Gas Mask core and particle pearl coverstock, Big Blue Pearl is a great combination to the legendary Big Blue.

BIG BLOCK
QUEST

Big Block Diesel

Style # 029744-41512

Color: Red/Blue

Available weights: 16, 15, 14, 13, 12

Big Block Diesel is the most hooking reactive resin ball in the Hammer line. Featuring the high-revving original Diesel core and reactive coverstock, Big Block Diesel gets started in the mid-lane and continues with a strong hook motion to the backend.

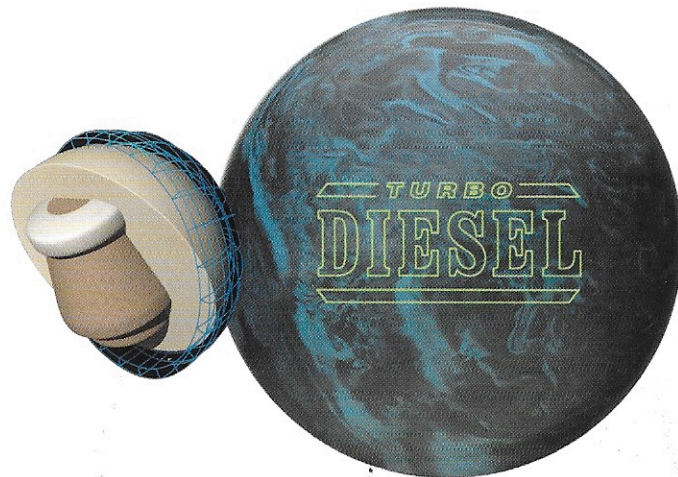

Power Diesel

Style # 029744-16412

Color: Blue/Orange

Available weights: 16, 15, 14, 13, 12

If you want the most hook in the Diesel series, take Power Diesel for a spin. The modified Diesel core provides a lower differential to produce additional length and a stronger breakpoint when matched up with Hammer's strongest coverstock ever, Power Whip Particle Pearl.

Turbo Diesel

Style # 029744-16112

Color: Black/Royal Blue

Available weights: 16, 15, 14, 13, 12

Turbo Diesel is the most versatile ball in the Diesel series with great length and incomparable recovery on the backend. Turbo Diesel features one of the most tunable coverstocks in the Hammer line and can go from a smooth and controllable dull ball to a strong skid/flip ball with a little shine.

Switch Blade

Style # 029744-74710

Color: Navy Blue/Purple

Available weights: 16, 15, 14, 13, 12, 11, 10

Switch Blade is the best choice for an all-purpose ball in the Blade series. Featuring the classic Hammer core with added flip block and the same Power Grip reactive coverstock as found on the original Vicious, Switch Blade delivers strong mid-lane motion with an aggressive backend.

Sharp Blade

Style # 029744-41610

Color: Blue/Green

Available weights: 16, 15, 14, 13, 12, 11, 10

Sharp Blade delivers the most hook in the Blade series. Using the classic Hammer core shape and Power Grip particle coverstock, Sharp Blade provides an incredible hook in heavy oil.

Sling Blade

Style # 029744-16010

Color: Green/Silver Pearl

Available weights: 16, 15, 14, 13, 12, 11, 10

Sling Blade is your top weapon for battling dry heads. Featuring the classic Hammer core and Power Trak pearl reactive coverstock, Sling Blade produces a ball motion that is clean through the front with plenty to spare on the backend.

Blade Reactive

Style # 029744-63710

Color: Royal/Yellow

Available weights: 16, 15, 14, 13, 12, 11, 10

When you're looking for versatility, reach for Blade Reactive. Featuring the classic Hammer core with added flip block and Power Trak Reactive coverstock, Blade reactive is designed to combat medium to heavy oil and can easily be tuned with polish.
