

ESSENTIALS FOR A FINELY TUNED PERFORMANCE

AMF

1995/1996
ACCESSORIES CATALOG

THE BOWLER'S TAPE®

The Bowler's Tape is the original and leading tape designed to customize a bowler's grip. A person's hand expands and contracts before and during every game, affecting his or her performance. With The Bowler's Tape, fit is no longer a problem. You simply apply it to the inside of each finger or thumb hole to improve gripping power.

The Bowler's Tape is made of premium-quality, pre-cut tape for durability and long-lasting hold. It can be applied and removed easily, leaving no sticky or gummy residue. A variety of colors, textures and sizes are available to suit any need. Black Bowler's Tape is ultra-thin and has a smooth surface. White Bowler's Tape is thickest and has a textured surface for added grip. Brightly colored Neon Bowler's Tape (hot orange, green, pink or yellow) is between the black and white tapes in both thickness and texture.

THE BOWLER'S TAPE® DISPENSER DISPLAY

The counter display holds six individual 30-piece dispenser boxes of pre-cut Bowler's Tape®. Available in all colors, textures and sizes.

THE BOWLER'S TAPE® VENDING DISPLAY

The vending display holds 18 individual six-piece Bowler's Tape boxes for use in vending machines. Available in all colors, textures and sizes.

Behind every winning performance in bowling is a lot of skill and a great ball.

To fine tune that performance you need a few essentials. Essentials like Bowler's Tape®, AMForce™ Gloves, The Reactivation System™ or any of the dozens of other products in this year's AMF Accessories Catalog. All designed to help you get more out of your game.

And, if you want to improve your skills, check out *Dick Weber's Guide To Better Bowling* video on page 6.

As for finding a great ball – get a copy of this year's AMF Ball Catalog.

The Bowler's Tape® Dispenser Display

The Bowler's Tape® Deluxe Dispenser

THE BOWLER'S TAPE® DELUXE DISPENSER

Conveniently carry your supply of Bowler's Tape with this break-resistant, refillable, dispenser. Holds 60 pre-cut pieces and comes filled with black or white tape in assorted sizes.

The Bowler's Tape® Vending Display

THE BOWLER'S TAPE® BULK ROLLS

Bowler's Tape bulk rolls come in quantities of 500 or 1,000 pieces and are perfect for active players using tape frequently. Bulk rolls are also excellent for pro shops who want to offer individual pieces of Bowler's Tape. Available in all colors, textures and sizes.

The Bowler's Tape® Bulk Rolls

THE BOWLER'S TAPE® CARRI-CASE

Made of durable, break-resistant polypropylene, the Carri-case has individual compartments to carry and protect Bowler's Tape in a bowling bag. Plus, it comes with a handy tool for inserting and removing tape. The case is reusable and can be refilled from standard 30-piece boxes. Available empty or with a complete 90-piece Bowler's Tape assortment.

The Bowler's Tape® Carri-Case

DICK WEBER WRIST PRO 2

To receive bowling legend Dick Weber's endorsement our new Wrist Pro 2 wrist support had to be good. Hand-crafted in the USA from the highest quality materials, the Wrist Pro 2 is lightweight and contour-fitted for precise control and extra comfort. Compare the Wrist Pro 2 to other bowling gloves and you'll see it's the best value going. Available in left- or right-handed models in sizes S, M, L and XL and in red, blue, black and gray colors.

Dick Weber Wrist Pro 2

AMFORCE POWER EDITION™ BOWLING GLOVE

Made from patented Airprene™ fabric, the Power Edition glove provides superb flexibility, breathability and comfort. Rubberized "tough-tack" palm and fingers assure excellent grip and control without the peel-back and wearout problems of most non-slip gloves. Limited lifetime warranty. Available in four color combinations: Signal Red with Black, Royal Blue with Black, Jet Black with Silver, and Dark Purple with Black. Right- and left-handed models in S, M, L and XL sizes.

AMForce Power Edition™ Bowling Glove

AMFORCE CUSTOM EDITION™ BOWLING GLOVE

Our AMForce Custom Edition glove features the kind of innovative thinking and attention to detail that has made AMF an industry leader. Each glove has a patented moldable hand and wrist support that can be easily fitted to the bowler's hand in minutes.

The Custom Edition also features rubberized "tough-tack" palm and fingers for superb grip and ball control. Patented Airprene™ fabric on the glove's non-gripping surfaces provides outstanding flexibility, breathability and comfort. Limited lifetime warranty. Available in Royal Blue with Signal Red, Midnight Black with Dark Purple, and Peacock Green with Yellow. Right- and left-handed models in S, M, L and XL sizes.

AMForce Custom Edition™ Bowling Glove

AMFORCE PRO EDITION™ BOWLING GLOVE

Constructed of patented Airprene™ fabric with a soft Amara fabric palm, the Pro Edition combines breathability and flexibility for cool comfort and great control. Built-in palm pad helps improve control, increase ball revolutions and provides a more consistent release. Adjustable Velcro® closure. Limited lifetime warranty. Available in four color combinations: Dark Purple with Black, Jet Black with Silver, Royal Blue with Black, and Signal Red with Black. Right- and left-handed models in S, M, L and XL sizes.

AMForce Pro Edition™ Bowling Glove

XS BOWLING SHIRT

This well-made, handsome sport shirt is the perfect complement to AMF's XS ball. Made of 100% pique cotton, the XS shirt is generously cut, comes in a two-tone color combination of black and bone and features the XS logo. Available in sizes S, M, L, XL and XXL.

XS TOWEL

The XS logo towel matches the black and bone color combination of the XS shirt and is made of high-quality cotton terrycloth.

XS SOUVENIR

For the true XS fan, an XS Mini Ball makes a wonderful conversation piece for the home, office, or pro shop display.

KING COBRA BOWLING SHIRT

Make a striking appearance on the lanes with the King Cobra sport shirt. It comes in white and features the King Cobra ball logo in yellow and black. Made of high-quality 100% pique cotton and generously cut in sizes S, M, L, XL and XXL.

AMF BOWLING SHIRT

This attractive pique sport shirt never goes out of style. It's made of comfortable 100% cotton, comes in blue, aqua, white and black, and features the AMF logo. Available in sizes S, M, L, XL and XXL.

Dick Weber's Quick Tips for Better Bowling

THE REACTIVATION SYSTEM™

Much more than a cleaner, The Reactivation System is the most complete way to get optimum performance from your ball. The System includes a simple, effective three-step process to prepare balls for use on any lane condition. Pro shops can quickly and easily use the System to resurface balls to a semi-gloss, high gloss, super gloss or ultra-gloss finish. Available in 4 oz. and 32 oz. kit sizes that include Reactivation compounds, sanding discs, applicator and dimple pads. Also available: Scotchbrite™ pads, plastic aprons, respirator masks and polishing paper. Kit replacement items available separately.

The Reactivation System™

CLEAR SKIN™ LIQUID BANDAGE

Don't let blisters or skin irritations ruin your game, use Clear Skin. Apply a few drops to the fabric patch and place on your fingers wherever you experience rubbing. Comes with 15 patches conveniently stored in the bottle's bottom cap.

Clear Skin™ Liquid Bandage

SUPER TACK™

Get maximum gripping power and control using a little Super Tack on your glove or hand. It's virtually invisible, comes in a convenient roll-on dispenser, is non-toxic and contains no rosin, tar or abrasives.

Super Tack™

REACTIVE BALL CLEAN™

These individually wrapped wipes are perfect for cleaning balls and finger or thumb inserts. Packed four to a box, they can be displayed at the counter or in vending machines. Display box contains 18 vending-size packages.

Reactive Ball Clean™

Adjustable Elbow Support

ADJUSTABLE ELBOW SUPPORT

Elbow pain is a serious problem for many bowlers. Our Elbow Support helps relieve the pain and accelerate healing. Constructed of plush stretch nylon over comfortable neoprene, this adjustable device is contoured to support the joint without binding or irritation. Features double-stitched reinforced seams, adjustable Velcro® fasteners. One size fits all.

Terry Wrist Support

SPLINT ELBOW SUPPORT

Prevent or relieve tendinitis with the Splint Elbow Support. It features a removable neoprene support that controls over-rotation of the wrist and forearm. Absorbent cotton terrycloth liner and double-knit nylon construction provide added comfort and fit. Adjustable Velcro® fasteners for precise fit. Limited lifetime warranty. Available in S, M, L and XL sizes.

Splint Elbow Support

TERRY WRIST SUPPORT

Made of 1/8" thick neoprene with patented soft terrycloth interior and exterior, the Wrist Support provides flexible support, helping treat or prevent wrist injuries. Dual adjustable Velcro® fasteners for precise compression and fit. Available in S, M, L and XL sizes.

The Soaker™ Wrist Liner

THE SOAKER™ WRIST LINER

Worn under a wrist support or by itself, the lightweight Soaker absorbs perspiration and provides added comfort. Absorbent terrycloth fabric is reversible and washable. One size fits all. Available in red, navy and Royal blue.

AMF SIDE-KIK™ DISPLAY

For merchandising AMF accessories the Side-Kik™ can be set up as a pegboard or slatwall display—or as a free-standing display. A patented hook design keeps display hooks locked in place. Shelves can be positioned horizontally or at an angle for self-feeding. Optional Side-Kik Display Package includes a complete assortment of Bowler's Tape, gloves, wrist liners, and other AMF accessories.

AMF Side-Kik™ Display

SAFE-T-SLING™ BALL CARRIER

This lightweight single-ball carrier makes transporting your ball from lane to lane fast and easy. Its unique Velcro® closure prevents the ball from falling out—even if the carrier is lifted by one handle. Made of sturdy napped flannel and available in black.

Safe-T-Sling™ Ball Carrier

DUAL-SLING BALL CARRIER

Excellent for carrying two balls at once from lane to lane. Designed for comfortable carrying, the Dual-Sling is constructed of sturdy napped flannel for strength and protection.

Dual-Sling Ball Carrier

AMF DRY MAX™ BAGS

AMF Dry Max bags keep hands free of moisture, dirt and lane oil. There's no tacky residue or sticky build-up. Available in two styles: smaller AMF Dry-Max bags in six colors or larger Dry-Max bags in assorted colors that coordinate with the latest AMF balls.

AMF Dry Max™ Bags

The Bowler's Tape® Shirt

The Bowler's Tape® Towel

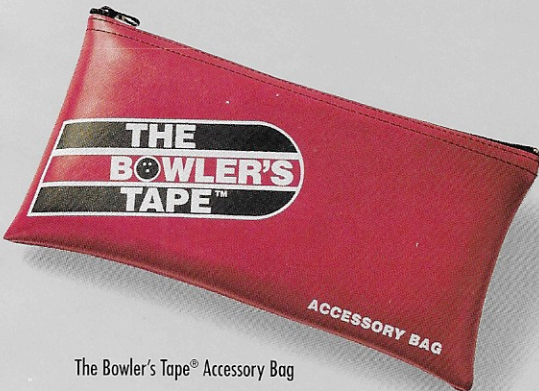

AMF Perfect Slyde™

The Bowler's Tool®

AMF Rosin Bag

The Bowler's Tape® Accessory Bag

Shoe Slyde™

THE BOWLER'S TAPE® SHIRT

The official Bowler's Tape shirt features a flapped breast pocket and comes in a comfortable poly/cotton blend for easy care. Available in red in sizes S, M, L, XL and XXL.

THE BOWLER'S TAPE® TOWEL

The Bowler's Tape towel is made of 100% cotton with a soft terry finish on one side and velour on the other. 16" x 26" size.

THE BOWLER'S TOOL®

The Bowler's Tool helps widen tight thumb or fingers holes. Using carbide-hard scraping tips, the Tool is designed to fit different hole sizes for easy application.

AMF PERFECT SLYDE™

Enhance shoe slide by patting the shoe's bottom with Perfect Slyde.

AMF ROSIN BAG

The AMF Rosin Bag puts a fine rosin powder on your hand to improve grip.

THE BOWLER'S TAPE® ACCESSORY BAG

Bowler's Tape and other accessories can be carried conveniently and securely in this 11" x 6" vinyl-zipped bag.

SHOE SLYDE™

Increase foot slide on sticky approaches with Shoe Slyde. The napped flannel cover is placed over the shoe and held securely in place with an elastic band that wraps around the heel. One size fits all.
