Michael Jordan Family League Rules & Format

Rule #1: Have Fun.

Here are additional guidelines and information for the AMF Michael Jordan Family League.

1. The AMF Michael Jordan Family League will bowl 23 sessions beginning approximately the week of October 5, 1998, and will end approximately March 15, 1999¹.
2. The league is open to all bowlers. All league members must join their respective sanctioning associations – ABC, WIBC or YABA. The AMF Youth Registration fee is \$10.00 (includes YABA sanctioning and an AMF Stars of Tomorrow T-shirt). Bowlers do not pay an additional registration fee if they are already sanctioned in another league.
3. On the final week of the league, all teams will compete in a season-end “fun tournament” (format to be announced). A total of 36 teams² will win expense-paid trips to Chicago for a weekend of fun May 21-23, 1999³. All teams in Chicago will compete to win a return trip to meet Michael Jordan, personally, at a later date.
4. The AMF Michael Jordan Family League weekly bowling fees will be \$9.95 per person (plus applicable tax). All bowlers must prepay their final two weeks’ league fees by November 1, 1998.

All bowlers in good standing⁴ will receive a Michael Jordan polyester bowling ball⁵ and AMF bowling bag after the 15th week of bowling. A bowler may prepay the season’s league fees and receive the ball sooner.

All bowlers who complete the league will receive a commemorative participation certificate.
5. Weekly bowling fees should be paid by the third frame of the first game. There will be no charging. Any member wishing to resign from the league must give two-weeks’ written notice and must be responsible for those two weeks’ league fees. There will be no refunds of partial league fees for bowlers who do not complete the league.
6. Averages will be established after the first three games. Handicap will be 100% from 220. An *Absentee* score shall be the bowler’s average less 10 pins. A *Vacancy* score shall be 200, with no handicap given.
7. The league shall use a three-point system. One point will be awarded for each game won. The winning team from each AMF Bowling Center will receive special trophies. No points can be won by forfeit. Teams bowling unopposed must bowl within 40 pins of their current team average to win a point.
8. Teams shall consist of four members – adults and children. There must be at least two youth bowlers⁶ per team. There may be up to three youth bowlers, but no more than two adults per team. Two regular members must be present to constitute a legal lineup. Substitutes will be allowed following the same criteria for roster makeup.
9. Pre-bowling (team or individual) will be allowed except in the final week. Please schedule pre-bowling with Center management or the League Coordinator.
10. Any events or issues not covered by these rules will be governed by the ABC/WIBC and YABA rule books. All other issues will be subject to the decision of AMF, and all decisions are final.

¹ Exact starting and ending dates and times will vary by individual AMF Bowling Center. Some leagues may start as early as September 21, 1998, or end as late as April 5, 1999, depending on the day of the week chosen for the league, holidays and other factors. Please contact your local AMF Bowling Center for more information.

² Thirty-one (31) teams will advance from the United States, two teams from the United Kingdom, two teams from Australia and one team from Mexico.

³ This date is subject to change.

⁴ Bowlers must meet all ABC/WIBC/YABA requirements, and all league fees must be current.

⁵ The bowling ball does not include drilling.

⁶ For the purposes of this league, youth bowlers must be 18 years of age or younger and must be eligible for YABA membership.
