B O W L I N G

We don't want to change the world. Just bowling.

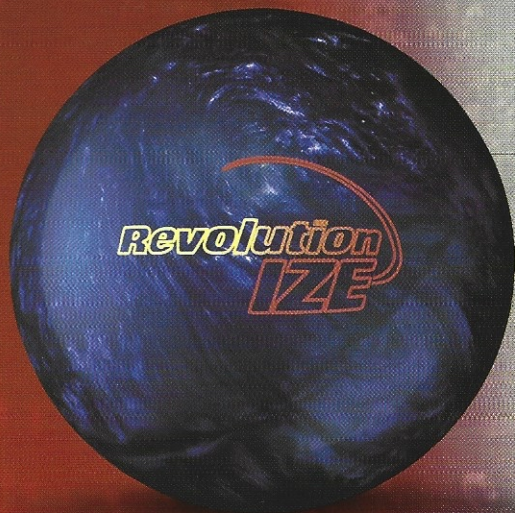

Revolution.

We don't want to change the world. Just bowling.

Evolution is too slow. Leaving us just one option. Overthrowing the old idea.

And bringing in the new. Chemistry. Cover stock. Core technology.

Revolution is the agent of change. Sudden. Extreme. Complete.

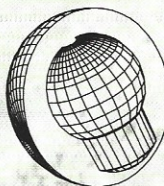

RevolutionIST

New **ISolated Tracking** Leads the Rebellion

Rebel with a cause. A Revolutionary discovery (patent pending). Changing cover stocks forever. For tracking through every conceivable lane condition. Staying the course—whatever the course. Aggressive hook on cue. Relentless in its pursuit.
