

BRUNSWICK® 1986

BALLS

a

PRO TRAC

A new bully on the block. The Pro Trac for 1986 is the high performance polyester ball you've been waiting for. Soft pearlescent cover stock for sliding through the heads and grabbing the dry lane hard. Tracks true and hits like dynamite.

a) 60-100714 - Burgundy 12, 14, 15, 16 lb. wts.

b

LT-48

Providing superior performance on oily lanes the LT-48 features a soft rubber cover and excellent hooking characteristics for better entry into the pocket. The popular ball has a porous cover and wide distribution of top weight.

b) 60-100323 - Black 12, 14, 15, 16 lb. wts.

c

GTB

High performance describes it. The GTB has a HFR core with a thicker urethane cover that slides through the heads easier and hooks when it hits dry lane. Features of the hard hitting GTB include a concentrated weight block for truer balance.

c) 60-100682 - Black 15 and 16 lb. wts.

LASER

In eight brilliant colors the Laser series ball has a medium hard pearlescent polyester cover that grabs the lane to provide truer tracking action and greater power through the pins.

- a) 60-100701 – Walnut Brown 10, 12, 14 and 16 lb. wts.
- b) 60-100706 – Midnight Blue 10, 12, 14, 15 and 16 lb. wts.
- c) 60-100702 – Charcoal Grey 8, 10, 11, 12, 13, 14, 15 and 16 lb. wts.

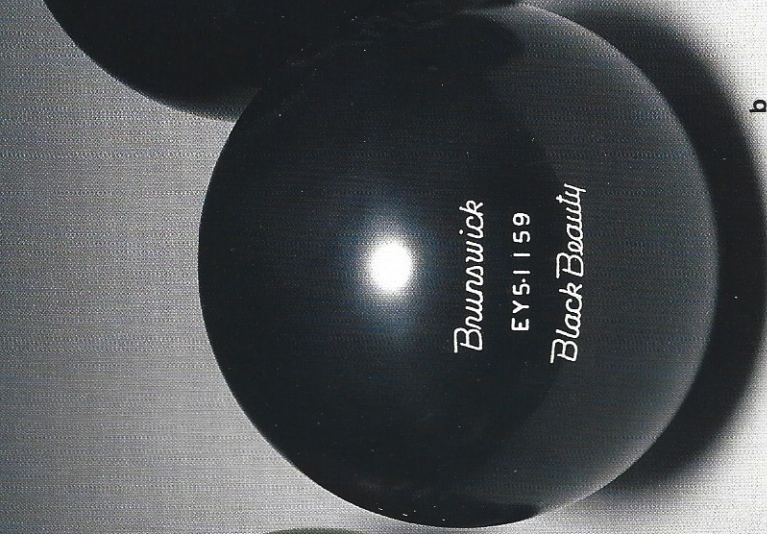

- d) 60-100704 – Red/Bronze 10, 11, 12, 14, 15 and 16 lb. wts.
- e) 60-100708 – Grape 10, 11, 12, 13, 14 and 16 lb. wts.
- f) 60-100703 – Ginger 10, 11, 12, 13, 14 and 16 lb. wts.
- g) 60-100707 – Cranberry 8, 10, 11, 12, 13 and 14 lb. wts.
- h) 60-100705 – Blue 8, 10, 11, 12, 13, 14 and 16 lb. wts.

CHARGER

Burgundy colored rubber ball for the bowler who wants less hook, longer slide and more consistent tracking. Performs well on medium oiled lanes. The medium hard cover and composition core provide great hitting power.

a) **60-100578** - Burgundy 14, 15 and 16 lb. wts.

BLACK BEAUTY

The popular ball for bowlers of all ability levels. Semi-porous rubber cover of medium hardness delivers less hook, longer slide and more driving power. The wide distribution of top weight provides truer roll and more consistent tracking.

b) **60-100033** - Black 10, 11, 12, 13, 14, 15 and 16 lb. wts.

c) **60-100598** - Black 8, 9 lb. wts.

BLACK BEAUTY JR.

It gives you the same popular design and construction as the Black Beauty model except its specifically weighted for young bowlers.

c) **60-100598** - Black 8, 9 lb. wts.

BLACK DIAMOND

A powerful rubber ball with minimal hook for those who shoot straight for the target. The hard, high luster, non-porous cover permits a longer slide and great driving power.

d) **60-100031** - Black 12, 13, 14, 15 and 16 lb. wts.
