

BRUNSWICK®

1 9 8 7

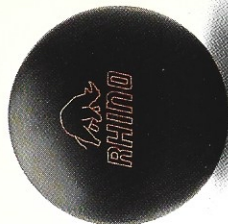

BALLS, BAGS AND SHOES.

Unleash your game. Roll a Rhino.

RHINO

You've seen it on T.V. You've heard about it at the lanes.

And now it's here. The Brunswick Rhino™! With three unique urethane formulations tested and proven by professionals, amateurs and technicians to match all styles and lane conditions. The specially formulated urethane ball gives you the performance in power and hooking patterns that better bowlers choose. The Black Rhino for light to medium oily lanes. Grey for medium oily lanes. And Wine for oily lanes. These three different breeds (and colors) give you the edge in all lane conditions to knock the top out of your average. And with a super-resilient core, the charging Rhino strikes with force through the pocket with a minimal amount of deflection. The Brunswick Rhino. It's a beast of a ball for any lane condition. And you can cage your new Rhino with a matching Rhino bag. See page eight.

60-100733; *Black*; 12, 14, 15 and 16 lb. wts.

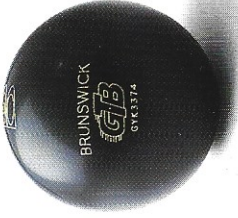

60-100734; *Grey*; 12, 14, 15 and 16 lb. wts.

60-100735; *Wine*; 12, 14, 15 and 16 lb. wts.

High-performance balls for high-performance bowlers.

GTB

When your game demands performance, demand a performance-proven ball. With its 100% urethane covering, the GTB slides through the heads easier and hooks when it hits dry lane conditions. Its concentrated weight block provides truer balance and consistent action. The GTB is a true performer regardless of the lane condition.

60-100682; Black; 15 and 16 lb. wts.

PRO TRAC™

The Pro Trac is quickly becoming a legend in its own time. The Pro Trac is a high-performance polyester ball with a unique Polytrac™ cover for controlled hooking action under a variety of lane conditions. Put your game on the right track with the power and performance of Pro Trac.

60-100714; Burgundy; 12, 14, 15 and 16 lb. wts.

LT-48

When the going gets oily, the LT-48® gets going. The LT-48 has earned a reputation for precision control on oily lane conditions. It features a soft rubber covering for excellent hooking pattern and better tracking through the pocket. The LT-48, high performance you can count on.

60-100323; Black; 12, 14, 15 and 16 lb. wts.

Laser Power At Your Fingertips.

LASER

The Laser is a consistent performer that'll keep your average from being average. The Laser series has a medium-hard pearled polyester covering that can take a bite in all kinds of lane conditions to provide you with sure tracking and greater power through the pocket. Available in eight dazzling colors. So, no matter what pearlescent pattern you choose, you'll have the consistent performance and power of a Laser at your fingertips.

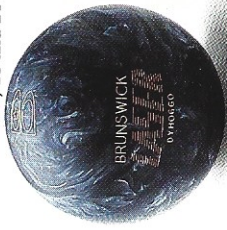

60-100707; Cranberry; 8, 10, 11, 12, 13 and 14 lb. wts.

60-100708; Grape; 10, 11, 12, 13, 14, and 16 lb. wts.

60-100743; Mauve/Silver; 10, 11, 12, 13 and 14 lb. wts.

60-100744; Steel; 10, 12, 14, 15 and 16 lb. wts.

60-100745; Butterscotch; 10, 11, 12, and 14 lb. wts.

60-100702; Charcoal Grey; 8, 10, 11, 12, 13, 14, 15 and 16 lb. wts.

60-100705; Blue; 8, 10, 11, 12, 13, 14 and 16 lb. wts.

60-100706; Midnight Blue; 10, 12, 14, 15 and 16 lb. wts.

Brunswick balls make a striking difference.

CHARGER

This rubber ball has less hook, longer slide and consistent tracking throughout. The Charger® is a sure performer on medium oily lanes. Its hard cover and composite core provide lane-hugging performance and solid striking power through the pins. Add muscle to your game with the Brunswick Charger.

60-100578; *Burgundy*; 14, 15 and 16 lb. wts.

BLACK BEAUTY

The Black Beauty® has been the choice of all types of bowlers for years. No matter what your skill level, the Black Beauty's construction and design provide truer roll and consistent tracking in the lanes. Its semi-porous, medium-hard rubber cover delivers less hook and longer slide for more strike force. The Black Beauty is the perfect ball for bowlers of all ability levels.

60-100033; *Black*; 10, 11, 12, 13, 14, 15 and 16 lb. wts.

BLACK DIAMOND

If you're a straight shooter, the Black Diamond® rubber ball with minimal hook is perfect for your game. Its hard, high-luster, non-porous cover gives a longer slide and greater striking force. The Black Diamond is a bowler's best friend.

60-100031; *Black*; 12, 13, 14, 15 and 16 lb. wts.
