RH M 7-12/13

Patent # 5,542,198

Zone and Zone Pro Interchangeable Velcro® Sliding Soles.

s8: Longer Slide

8

Bowler profile: A "stroker" who wants longer slide. The s8 yellow sole is the standard slide material for performance shoes. (BRN06) Replacement Sole s8

s4: Short Slide

4

Bowler profile: A power player or "cranker." The s4 red sole reduces sliding and allows the foot to grab the approach. (BRN03) Replacement Sole s4

Please note: The higher the slide value number, the more slide. If other replacement soles are needed to match conditions and bowler's needs, soles s2 (BRN02), s6 (BRN04), s7 (BRN05) and s10 (BRN10) are available at pro shops worldwide.

Zone Pro Interchangeable Heel Strips

h7: More Slide (less brake)

7

h7 red leather
(BRN12) Replacement Heel h7

h5: Slide (brake)

5

h5 slip white rubber
(BRN13) Replacement Heel h5

h3: Less Slide (more brake)

3

h3 tacky yellow rubber
(BRN14) Replacement Heel h3

Zone and Zone Pro Power Pivot™ Push-Off Sole With Duratip™.

Duratip™ Goodyear Indy 500® Plus Max rubber for durability and traction.

The Zone's Power Pivot™ push-off sole. Goodyear Indy 500® rubber for added traction on wood or synthetic approaches.

h5: standard raised rubber heel
