SOLE & HEEL CHART

HEEL/SOLE	S2 Brown Leather	S4 Red Leather	S6 White Microfiber	S8 Yellow Leather
H1 Red B Rubber	3	5	7	9
H2 Rippled	4	6	8	10
H5 Blue B Rubber	•	•	11	13
H7 Red Leather	•	•	•	15

• It is recommended that the heel number be lower than the sole number. Because you brake with your heel ,use a heel with more friction (a lower number) than the sole.

Protect and easily transport your bowling shoes, heels and soles with Brunswick's accessory bags. These attractive nylon carriers also allow for easy access to your footwear and slide pieces. Removable protective bags inside the main carrier keep your gear separate and ordered so you can retrieve what you need quickly and conveniently.
