SOLE & HEEL CHART

SOLE/HEEL	S2 Brown Leather	S4 Red Leather	S8 White Microfiber	S10 Grey Felt
H1 Red B Rubber	3	5	7	11
H2 Rippled Rubber	4	6	8	12
H5 Blue B Rubber	•	•	11	15
H7 Red Leather	•	•	•	17

• It is recommended that the heel number be lower than the sole number. Because you brake with your heel, use a heel with more friction (a lower number) than the sole.

Protect and easily transport your bowling shoes, heels and soles with accessory bags by Brunswick. These attractive nylon carriers also allow for easy access to your footwear and slide pieces. Removable protective bags inside the main carrier keep your gear separate and ordered so you can retrieve what you need quickly and conveniently.
