

ZENITH™

DYNAMICORE

DOT

Combining the new Zenith core and the A. X. H. (Activator Xtreme Hook) cover produces incredible ball motion on lanes with some volume and for bowlers that need a little help getting the ball started. If you like hook in a box and high scores, the Zenith won't disappoint.

RESOURCES

TO RESET. RECONNECT. REOPEN.

Bowling is more than a business — it's our life. And we know it's yours too. While the COVID-19 public health crisis has had a profound impact on our global bowling community, one thing is certain: bowling will be back. Just as we have for the past 130 years, Brunswick is partnering with the most innovative minds in the industry to develop strategic business solutions that support your centers' success.

Ensure your business is ready for the return of bowling, visit our comprehensive collection of resources at brunswickbowling.com/reopen.
