CLEAN & CARRY

The name and ProGrip® logo say it all. This long-handled, easy-to-carry ball tote cleans while you carry. Made of extra strong napped flannel, it removes oil, polishes and protects your ball inside your bag. Machine washable. Packaged individually.
1-dozen individually packaged polybags #T10-99-16

NEW! DEGREE™ SHINE

This high-gloss polish is terrific for all types of bowling balls. It leaves an incredible shine and smooth finish, and helps create more skid and delay the hook. Ideal for medium-to-dry lane conditions. Acceptable for use in ABC/WIBC-sanctioned competition.

NEW! DEGREE™ DULL

Give your ball the respect it deserves. A safe and easy treatment for dull urethane and reactive resin balls, Degree Dull draws out oil; removes dirt, grime and belt burns; and restores dullness and tackiness in reactive resin balls. It's great on oily lanes to keep consistent reaction. All this and biodegradable, too. A one-quart bottle cleans over 100 bowling balls. Acceptable for use in ABC/WIBC-sanctioned league events.
