

FOR THOSE WITH ICE IN THEIR VEINS AND FIRE IN THEIR EYES.

Introducing the Striking Motion, the latest High Performance ball from Ebonite. Featuring a Flat Iron Asymmetric Core and new Super Shell 1.0 Coverstock that work together to create more overall hook than any ball we've made yet. The Striking Motion from Ebonite, one serious ball for those who take bowling seriously.

Worldwide Release Date: 11/11/08

STRIKING
MOTION

ONE SERIOUS BALL FOR THOSE WHO TAKE BOWLING SERIOUSLY.

STRIKING MOTION:

The Striking Motion from Ebonite, a high performance ball featuring a Flat Iron Asymmetric Core and new Super Shell 1.0 Coverstock that helps the ball cut tightly through heavy lane oil. We've also designed the Striking Motion to create more overall hook than any ball we've ever made, making it intense, just like your game.
