

# The Purple Buzzsaw is Back..!!

## Introducing the **Pro Purple Buzzsaw**

**The patented diamond shape bowls more 300's and 800's per ball, than any other shaped core.**

Patent No. 5,238,235

Lane #1 re-introduces it's famous Purple Buzzsaw, with it's patented single density diamond core, and beef's it up with a new Pearlized Pro Action particle shell.

The new Pro Purple Buzzsaw glides through the heads while maintaining a strong even arc off the dry boards, eliminating over-reaction. The smooth clean roll makes it easier to hit the pocket, allowing this Buzzsaw to carve through the pins for more strikes..!!

For bowlers not in need of a 16 lb. ball, Lane #1's lighter weight Saws come fully packed with the 16 lb. ball core, power boosting these light weights for optimum performance.

This feature comes first and only from Lane #1.

P.S. Remember...Nothing cuts through pins better than a Buzzsaw..!
