

MASTER THE UNIVERSE!

Roto Grip was founded in 1955.
"King of them All" for 50 years
and still going strong.

Roto Grip® delivers more
"bang for the buck" than any
company on the market, and the
all-new Saturn™ is no exception.

Since the inception of the Sonic™
series in 2002, no other company can
compete with the performance that we
deliver at this price point. We give you a
dynamically advanced 2-piece ball that far
outperforms many other company's higher
priced releases.

The all-new Saturn™ continues to provide more "hook for
the buck" than any other in this category. The combination
of Orbiter™ core and Sure Grip II™ solid reactive proves to be
another winning combination from Roto Grip®
