- Track Flare: 4"
- Length: 7 (10 scale)
- Backend: 8 (10 scale)
- Coverstock: Sure Grip™ Reactive
- Weight Block: Modified Rotary™ Core
- Color: Black
- D-Scale: 75-78

The **Silver Streak™** is Roto Grip's latest entrant into the mid-priced market.

It combines Classic looks and Price with Cutting Edge Performance.

Powering the **Silver Streak** is a modified version of the performance proven Rotary core found in the Blue Retro; creating low RG and medium Differential for late mid-lane read and smooth backend.

Sure Grip Reactive™ surrounds this core creating a smaller footprint for those medium to dry lane conditions or Sport Patterns.
