

BEYOND SPEED... SUPER SONIC!

SUPER SONIC

ROTO GRIP

KING OF THEM ALL!

ROTO GRIP, INC.
165 S. 800 W.
BRIGHAM CITY, UT 84302

SUPER SONIC™

Roto Grip® has broken the "Barrier" with the all new **Super Sonic™**. This addition into the entry-level mid-price market, shatters all the previous standards in performance.

The Super Sonic's newly designed **X-1™** core creates the strongest mid-lane motion along with unparalleled backend reaction at this price point.

Sure Grip II™ is the coverstock of choice for this high powered machine. This translates into traction, angle, and pin carry.

Go ahead, shatter your own records!
