

2 HEAT 2

FIVE-ALARM PERFORMANCE.

Turning up the temperature on the competition is easy — just apply heat. As in the new Heat 2™ from Track. **A direct descendant of the original Triton Heat™, the Heat 2 promises to continue a winning tradition that resulted in the most consecutive PBA Tour wins (5) and an amazing string of consecutive PBA Match Play wins (20).** Designed by bowlers for bowlers, the Heat 2 has a host of innovative features. Created for aggressive backend, the Heat 2 plays even deeper than the original Triton Heat. Its "Power Rev™" core technology and Pegaxis Pro™ coverstock deliver impressive power and outstanding performance. So if you're ready to see the competition sweat, get your hands on the hottest technology marvel Track has ever made — the new Heat 2.
